Subject: Possible Donation

1

Hi, my name is Rachel Decker and I am a third grade teacher at Curtner Elementary. The third graders are doing a Walk-A-Thon in order to raise money to go on a field trip and update our computers. I was wondering if you would consider making a donation to help us out.

Dr. Black is always telling us what a great community Milpitas is. He talks about how much the community supports our schools. Since the third grade curriculum in Social Science is Communities this is a great chance for you to show them what it is like to live in a great community.

Please feel free to contact me with any questions either by e-mail or at my home-408-894-9226 or you can send a check to the school:

Curtner Elementry-Walk-A-Thon

Thank you in advance for your support
